OPTION 1 - STAGGERED TEE-OFF

How we manage your group on the day:

On arrival, your large group is split into smaller groups of 6 people. We encourage you to have these organised in advance.

Each group of 6 will tee-off sequentially every 6-8 mins until all have set off. There is a seating area by our kiosk where remaining groups can wait for their turn.

If you have a very large group, we recommend communicating staggered arrival times. Example: Group of 72. Have 24 players arrive at 2pm. 24 more players to arrive at 2.20pm. 24 more players to arrive at 2.40pm and so on.

Strict tee off rules as per score card (Competition rules. Each player takes turn at the tee. Then furthest from the pin plays next until all complete the hole).

Discounted pricing only available on Mon-Thurs (excluding Public Holidays).

20-39 people	10% off per person
40-59 people	15% off per person
60+ people	20% off per person

Rates effective 01/04/2025 - 31/03/2026

OPTION 2 - EXCLUSIVE VENUE HIRE

Guaranteed exclusive use of the course.

How we manage your group on the day:

Your group will arrive to a vacant course and have exclusive use for 2 hrs.

The group will be split into smaller groups and divided evenly across the course for a “Shotgun start” which is a golf format in which all groups of players tee off simultaneously, from different holes.

Example - Group 1 would start from hole 1, group 2 from hole 2, etc. Each group starts play at the same time.

Strict tee off rules as per score card (Competition rules. Each player takes turn at the tee. Then furthest from the pin plays next until all complete the hole)

The course then re-opens to the public. Private use can be extended subject to availability and extra hourly charge.

FINAL NUMBERS:

Notification of a guaranteed minimum number of guests attending the event is required 28 days prior to the event date, which will be the basis for final invoicing. The guest will be charged the full amount for confirmed final numbers.

REFUNDS / CANCELLATIONS

Full refunds provided for cancellations outside 10 days of booking.

Cancellations made between 2-10 days from the scheduled booking date will be entitled to a 50% refund. Event can be rescheduled once free of charge.

Cancellations made within 0-2 days, including no shows will forfeit the entire booking, with no refunds or rescheduling available.

WET WEATHER POLICY

Golf is an outdoor sport that can be played in inclement weather and thus we do not offer a refund or credit if it is raining. We recommend checking the weather forecast in advance, and as we always say, “There is no such thing as bad weather, just inappropriate clothing”.

Play will often continue unless the weather makes it unsafe or impossible to do so. We encourage you to wear weather-suitable clothing on days that look uncertain so you're not caught out.

If the golf course is deemed “unplayable” by management due to severe electrical storm or parts of the golf course flooded by rain, a refund or credit will be offered.

If the weather is deemed bad enough to close the facility, then rain checks will be given to those who haven't started their game yet, those on the course at time of closure and those who have upcoming tee times.
